—We learn from W. L. Bryan that his mother who has been quite sick for some days is thought to be a little better. She is near 89 years of age. We hope she will soon be restored to her usual health. He also informs us that his father, who is now in his ninetieth year, is in good health.
—The democrats of Watauga will have a grand rally, exquisite music, a sumptuous feast, and better than all speeches from some of North Carolina's most distinguished sons on Thursday November the 1st. Let all attend.
—Mr. L. L. Greene, candidate for Judge on the republican ticket, asks us to say that the report now in circulation over the State to the effect that he has been taken from the ticket, and Jake Bowman, of Mitchell, put on in his place is untrue as he has a letter from Chairman Holton under date of Oct. 20th in which he did not mention anything of the kind. We hope the report is not true, but when we come to think of how he was treated by the republicans when he was an aspirant for Lieutenant Governor, we wouldn't put this atrocious act much apart the present combination, which if really perpetrated, is an unparalleled outrage and a blistering shame.
A GRAND DEMOCRATIC RALLY.
Arrangements are now being made to have a grand Democratic rally at Boone on November the 1st. Some of the most distinguished speakers in the party are expected to be on hand. Among them the Hon. M. W. Ransom; Hon. R. B. Glenn; Hon. Lee S. Overman; Hon. W. H. Bower and others. The services of the best brass band in the State will be secured to furnish music for the occasion. One of the attractive features of the occasion will be a grand horse-back parade, and in addition to all this a big dinner for everybody will be served. Circulars and posters will be distributed next week giving the whole programme. Everybody would do well to come and enjoy the day.
Poor Digestion
Leads to nervousness, fretfulness, peevishness, chronic Dyspepsia and great misery. Hood's Sarsaparill is the remedy. It tones the stomach, creates an appetite, and gives a relish to food. It makes pure blood and gives healthy action to all the organs of the body. Take Hood's for Hood's Sarsaparilla Cures.
Hood's Pills become the favorite cathartic with every one who tries them. 25c.
It is very encouraging to us to read of the many noble men who are devoting themselves and talents among the people in the present campaign. Few States have greater men than Ransom, Jarvis, Glenn, Overman, Robbins, Aycock and many others who are now working among the people and pleading with them to stand first to Democratic principles. The State cannot afford to go back under Rep. rule as it would be a blight upon her prospects. Our people are a-waking to the importance of the occasion and will roll up an other majority of condemnation against this old incapable party. The Democrats have never been in better shape since the war.

"Pop" Writes to the Populist.
Boone, Oct 12, '94—This has been a stirring week at Boone, it being court time. On Monday Messrs Spainhour and Newland spoke; Tuesday Messrs. Blackburn and Lovill, and on Wednesday Messrs. Bower and Linney. The speaking was very satisfactory to Republicans and Populists, as all the speakers on the side of opposition to machine Democracy acquitted themselves well, and when voting time comes it will be more satisfactory, because all indications favorable for a signal victory for the cause of reform. On the 5th of this month the Populists of the 30th Senatorial district met in convention at Owline, Ashe county, and nominated Wiley H. Farthing, of Watauga, for the Senate; and at Jefferson the next day the Republicans in convention endorsed the nomination of Mr. Farthing by acclamation.
The Populists of Watauga, at a consultation on Tuesday at Boone, decided it was inexpedient to nominate a county ticket, and recommended the co-operative movement to all who are in favor of a change in the county government system of North Carolina. The Republicans of this county are supporting Messrs. Spainhour and Farthing, the Populist candidates for Solicitor and Senate and it seems to be proper for Populists to support their friends in preference to their enemies, for it is evident the Democrats are bidding for Populist votes and propose to give them nothing in return but abuse. In this week's issue of the DEMOCRAT the Populists are alluded to as this "bastard outfit," and what self-respecting Populist can for a moment think of voting for a party that will use such epithets as this? Such language as this will certainly recoil on the heads of those who use it. Great success to the POPULIST. More anon. Pop.
The Discovery Saved His Life.
Mr. G. Caillouette, Druggist, Beaversville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at W. L. Bryan's store.
Chairman Marion Butler has undertaken to boss both Republicans and Pops, and it now seems that he will be unable to boss himself. It is now very evident that the whole concern will collapse. They are already on the run, and the nearer the election, the more disorganized they get. They will not be able to elect a Congressman in the State, neither will they elect a Judge. Of course they will help elect Judge Clarke, who is the democratic nominee, they having endorsed him. We now learn that Leander L. Greene, of our town, the fusionist candidate for Judge in this Dist. has been taken from the ticket and the name of Jacob Boman, of Mitchell, put on instead. Mr. Greene says the report is false, but the name of Boman is surely on the State Judicial ticket. If such is the case we only wish to say that Mr. Greene has been treated badly by his would be friends, and we hope the report is false.

STOMACH TROUBLES

Liver Complaint, Constipation and Biliousness
ARE SPEEDILY CURED
By the use of
AYER'S Cathartic Pills

A friend speaks through the Boothbay (Me.) Register, of the beneficial results he has received from a regular use of AYER'S Pills. He says: "I was feeling sick and tired and my stomach seemed all out of order. I tried a number of remedies, but none seemed to give me any relief until I was induced to try the old reliable AYER'S Pills. I have taken only one box, but I feel like a new man. I think they are the most pleasant and easy to take of anything I ever used, being so finely sugar-coated that even a child will take them. I urge upon all who are in need of a laxative to try AYER'S Pills. They will do good."

"For four years, I was afflicted with liver complaint. The best physicians in the country being unable to relieve me, I was advised to try AYER'S Pills. I did so, and believe my liver is now in a perfectly healthy condition."—M. JARRELL, Proprietor of Jarrell's Hotel, High Point, Guilford Co., N. C.

"I have been the victim of dyspepsia and rheumatism for years, so bad that my hands are crippled, and I suffer periodically, from severe headaches. Until lately when these headaches came on, I was obliged to give up work. I have tried many medicines, but without any benefit, until about a year ago, I began taking AYER'S Cathartic Pills regularly, and now my digestion is greatly improved, the headaches virtually cured, and my general health better than for years."—Mrs. EMMA MCCARTY, Colon, St. Joseph Co., Mich.

"I was relieved of sick headache in a very short time after having taken AYER'S Cathartic Pills."—ERNEST GUILLOU, 21 South street, San Antonio, Texas.
